Consult Hoeveldrif

Let's journey together

The Consult Hoeveldrif story

Meet Our Asset Protection Expert:

Karen du Plessis

Franchise Principal and Short-term Financial Adviser

Qualifications: RE 5

As an Asset Protection Expert Karen has been in the financial services industry for the past 30 years and has a wealth of in-depth knowledge in providing financial planning and advice solutions to her clients. Her ability to listen, interpret and design client-centric solutions makes her a reliable financial planning partner. Consult Hoeveldrif was in the top ten Short-term Franchises nationally in 2023.

Karen is assisted by Charlene Webster who has 20 years experience in the financial services industry, and Chantell Pretorius who is the administrative manager of the franchise.

With Consult Hoeveldrif as your asset protection partner, you can confidently navigate unexpected emergencies, knowing that your tangible and intangible assets are secure, allowing you to conduct business without interruption. We protect what is yours, so you can focus on what matters most.

Why choose Consult Hoeveldrif for asset protection?

Detailed Risk Analysis: We conduct a detailed analysis of your individual and business asset protection needs to gain insight into the intricate layers of your specific risk landscape which is crucial for crafting personalised asset protection strategies.

Risk Management: We secure your future with expert risk management and asset protection solutions.

Tailored Solutions: We develop tailored solutions to protect your tangible and intangible assets, and we safeguard the continuity of your revenue against sudden interruptions.

Aligning Finances: We ensure your decisions are aligned with your financial capacity and long-term sustainability goals, to avoid overextending while safeguarding your assets.

Value Beyond Insurance: Discover our commitment to provide more than just coverage, we provide asset protection that goes beyond insurance.

Integrated Technology: Experience the ease of doing business with our cutting-edge technology solutions.

Service-Level Agreement: We provide a service-level agreement that will guarantee exceptional service and collaboration throughout our relationship.

Expert Advice: Elevate your client journey with expert guidance. We ensure alignment with regulatory best practices and requirements and incorporate our in-house technology and advice processes to deliver an all-encompassing advice experience.

Active Partnership: We believe in active partnership through dynamic relationships. We conduct annual reviews and keep a record of engagements to ensure transparency and to establish a reference point allowing you to review your recommendations, and to ensure that your asset protection solution remains relevant.

Make Informed Decisions: We enable you to make informed decisions about your financial position, by providing you with the required information and guidance needed to secure your future.

Multiple Partners: Discover the limitless possibilities with our extensive network of trusted partners.

With our expertise, you can confidently confront unforeseen challenges and be assured that your assets are protected.

Our process

Our process starts with gathering all the relevant information to interpret your specific risk landscape. Following this, we perform a thorough assessment of your existing asset protection requirements, delving deep into your unique needs. From there, we custom-design comprehensive strategies to mitigate your potential risks, guiding you seamlessly through the implementation and management phases.

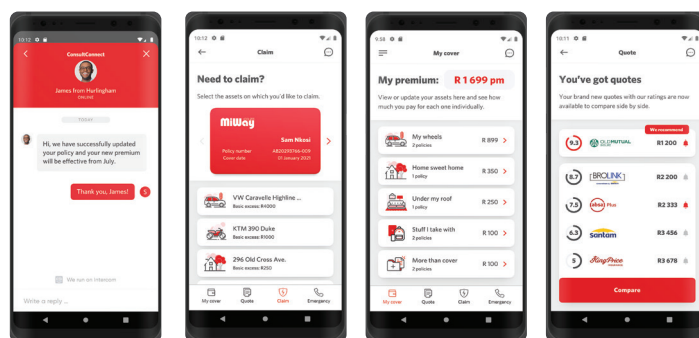

Our Value-added services

Our value-added services are designed to go beyond the ordinary, providing you with exceptional benefits that enhance your overall client experience. These services are carefully crafted to address your unique needs and preferences, ensuring that every aspect of your interaction with us is seamless and rewarding. From personalized assistance that caters to your specific requirements to innovative solutions that anticipate future challenges, our value-added services are a testament to our commitment to cater for your specific needs. With us, you're not just receiving a service – you're gaining access to a range of additional advantages that elevate your journey.

Our Consult Insure app

Your all-in-one asset protection companion. Easily compare, manage, and optimize your asset protection portfolio with our user-friendly app. Explore its features:

- Manage and view your insurance portfolio
- Instantly obtain quotes at your fingertips
- File claims and access emergency assistance directly from the app

Introducing Consult

Consult is a franchise network that provides independent financial planning and advice solutions to clients and their businesses. We are an Authorised Financial Services Provider (FSP 5503) and are part of the Momentum Metropolitan Group, the fourth-largest financial services company in South Africa and rated B-BBEE level 1. We are an independent Registered Financial Advice firm (RFA), that holds both Categories I and II licenses and offers a comprehensive range of product solutions, from multiple product providers including all major life-, health-, saving-, investment-, short-term-, and employee benefits providers in South Africa. We have established strategic relationships and partnerships with a professional team of financial advisers to facilitate our client value propositions to the market.

We are about expert advice

consult verb /'kɒnsʌlt/ to seek information or advice from someone, especially an expert or professional.
